This year we have broken up the Academy into three streams. In 2019 the Academy will facilitate 3 streams, now on Sunday and Tuesday evenings. Stream one and two will be Heart Transforming Streams and Stream three our Creative stream You may pick modules as you desire from any stream. You may decide to do one module or more or attend the entire term at a discounted rate. The choice is yours. You may have already done some modules in previous years and would like to repeat them.

Please note the following information:

- All modules must be paid in advance, prior to the commencement of each module.
- If you choose to pay for the whole term in advance you will receive a 10% reduction of the full term's fees.
- Please indicate with a tick which modules that you would like to enrol on the tables overleaf.
- All Streams are charged at \$25 per week, except Journey of the heart, which is charged at \$30 per week.
- The venue for Heart Academy will always be at Berwick Secondary College, Manuka Road, Berwick (map attached at the back). In the unlikely event that there is any change to the venue, all participants will be informed well in advance. The one exception will be the special event with Wm Paul Young on Sunday 17 February 2019 where venue will be Beaconsfield Centre, 8 O'Neil Street, Beaconsfield.
- We want to bring to your attention that the academy sessions may be recorded or shown 'live' via the internet. We will do our best to focus on the facilitator and the content they are presenting.
- **Please arrive at 5.45pm for 6.00pm prompt start Sunday and 6.45pm Tuesday evenings**

As a participant of Academy, we ask that you consider and adhere to the following;

- Agree to keep confidentiality. This means that personal information discussed in the Academy class stays in the class during and after the module.
- Agree that each person has a right to their feelings and that you will not condemn them for those feelings, even though they may be different to your own.
- Agree to take personal responsibility for your own wellbeing at the conclusion of each module. The advice given during this module is not to be taken in any other sense than spiritual direction. If you recognise that you have emotional or mental health challenges, it is best to seek further professional counselling or medical advice.

I agree that I have read and noted the contents of the registration form.
